

# SUPPORTING TOURISM IN NORTHERN MANITOBA

The Communities Economic Development Fund (CEDF) and our Look North team recognizes the importance of supporting the tourism industry in Northern Manitoba. With assistance from Canadian Ecotourism Services (CES), CEDF is conducting a study to identify training and educational needs to support our tourism industry.

Starting January 2023, CEDF will require valuable input from Northern Manitoba's **TOURISM OPERATORS / TOURISM LEADERS / KEY STAKEHOLDERS** to better understand the gaps and possible solutions.

If you are interested in having your voice heard by joining our industry conversations, please contact CEDF at [admin@cedf.mb.ca](mailto:admin@cedf.mb.ca) or call 1-800-561-4315
